There will be forms available at all Festival Classes. Please hand this form to the adjudicator or secretary when your class is called.
2. Please have your original music ready for the adjudicator. This should be open to the composition you are performing and clearly marked with your name. You can mark the spot in the book with the Class Admission Form. Please give this to the adjudicator or secretary when your class is called and pick it up directly after your class has been adjudicated.
3. The times scheduled in the programme are approximate. You should plan to be ready to play at least 10 minutes before your scheduled time - and to stay for at least one hour after the time scheduled for your class. In addition it is excellent experience to attend as many of the adjudicated classes as possible. Make a day of it.
4. Only videotaping, recording or photographing of your own family members is permitted. If you wish to record other performers you will need permission from their parents.
5. Please set cell phones on an inaudible ring - and hold conversations outside of the performance venue.
6. Please enter and exit the performance venue quietly between performances. Please do not enter or exit while a student is performing. As there is no admission fee there will not always be someone at the door. Please quietly close the door behind you.
